

DROP-OFF/PICK-UP SAFETY

The Academy is located in a residential neighborhood where the street is frequently congested. This can be a potentially unsafe situation for your child. We need your assistance to help make morning drop-off and afternoon pick-up go smoothly for both the parents and our neighbors.

To keep these peak traffic times manageable we ask that you follow a few simple safety musts.

- 1) Never leave a double-parked car unattended. If you need to come into the building, please find a legal parking space. **The space in front of the school is for drop-off or pick-up only.**
- 2) Never double-park or drop your child off on the East side of the street. It makes it necessary for your child to cross the street creating a hazard.
- 3) When dropping-off or picking-up your child, we insist that you drive up Benvenue from the Derby Street direction (north). This will have the passenger side of your car facing the school side of the street. Your child will be able to get to school without having to cross traffic.
- 4) **Do not block driveways** and please **Do not honk your horn.**
- 5) Please be considerate to through traffic by not blocking the street. This is unsafe and highly frustrating to fellow drivers.

We need to keep your children safe and our presence in the neighborhood as unobtrusive as possible. Thank you for your full cooperation in this serious matter.
