

IMMUNIZATION AND HEALTH RECORDS

California state law requires proof of immunization, physical examination and Hepatitis B vaccination for kindergarteners and first graders as follows.

Kindergarten

Your child must have proof of immunization on file at this school. Please bring or send in a copy of your child's immunization record on or before the first day of school. Chickenpox (varicella) vaccine is now required by law for entry into kindergarten.

First Grade

Your child must have proof of a physical examination on file at this school. This examination may be done anytime between 18 months prior to entry to first grade and 90 days after the first day. Please forward this form to your child's pediatrician and ask them to complete it and return it to The Academy on or before the first day of school.

Proof of Physical Examination
