

Pre-K Summer Program

For Children Entering Kindergarten

June 25 - July 27

Monday-Friday, 9:00 a.m. - 12:00 p.m.

Alphabet
Phonics
Numbers
Patterns
Writing
Nature Studies
Arts & Crafts

Our goal is to give young students the academic skills and confidence they need to enter Kindergarten with ease and comfort. Our program strengthens pre-reading and math skills and provides an introduction to a more formal classroom environment. Class size is limited to 15 students, enabling us to offer ample attention and support to each child.

The math curriculum focuses on number recognition, counting, patterns and simple computation concepts. The language-arts curriculum focuses on letter recognition, phonics and basic writing skills. There is also outdoor recess, art projects, free exploration, and hands-on nature exploration.

The cost for the 5-week program is \$1050. Registration is now open. Call or visit our website for more information about The Academy.

Helping your child become a Kindergarten superstar!
