Academic Programs June 25 - July 27 (5 weeks)

★ Pre-Kindergarten Program

Monday - Friday
9:00 a.m. - 12:00 p.m.

Cost \$1050

This program is designed for children entering Kindergarten in the Fall and will incorporate a variety of activities and subject matter. The curriculum will focus on number and letter recognition and writing, strengthening pre-reading and math skills and will provide an introduction to the classroom environment. We include outdoor recess periods, art projects, and science themes throughout each week's program.

★ Lower School Program

(entering 1st – 4th grades)

Monday-Friday
9:00 a.m. - 12:00 p.m.

Cost: \$1,050

This course is divided into Math and English sections. Students will focus on improving their skills as well as gaining confidence and ease in both of these subject areas. Classes are small, enabling teachers to better structure curriculum to each child's needs. All books and materials are included in the course fee. Homework is assigned during this session. This program is designed for students who will be completing Kindergarten through Third grade in June 2011.

★ Upper School Program

(entering 5th – 8th grades)

Monday-Friday
9:00 a.m. - 12:00 p.m.

Cost: \$1,050

This course is divided into Math and English sections; both subjects are taught each day.

Math: This program will focus on the review of all arithmetic computation skills, principles of pre-algebra, and algebra. Students will be evaluated and placed according to skill level. Students move independently through workbooks which focus on the individual topics of fractions, decimals, percents, algebra, geometry, measurement, and the metric system. Class size is limited to enable the teacher to work with each student on a one-on-one basis each day.

English: The Essay! In this course, students develop academic writing skills. Students use the writing process to construct a variety of different essays with an emphasis on coherence and correctness in written communication. Students also conduct basic research for their essays. Selected readings provide the basis for discussion regarding the difference between fact and opinion. Grammar exercises focus on verb tense and form, subject-verb and pronoun-antecedent agreement, and pronoun case. Students also complete exercises covering topic sentences, paragraph development, citations, and formatting guidelines.

All books and materials are included in the course fee. **Homework** is assigned.

All classes have a recess period for 10:15 - 10:45 a.m.

Recreation Programs June 25 - July 27 (5 weeks)

★ **SWIMMING LESSONS** (all ages/levels) Monday - Thursday 3:45 - 4:15 p.m. Cost: \$90 per session

Beginning and intermediate swimming lessons will be offered. We will take your child to and from swimming lessons on a daily basis for each two-week session. Parents may sign up their child for any number of sessions. The dates below are approximate. They will be confirmed once the City of Berkeley sets their schedule.

Session 1: June 25 - July 5

Session 2: July 9 - July 19

★ **ARTS, CRAFTS AND CERAMICS** (all ages) Monday/Wednesday 12:45 - 1:45 p.m. Cost: \$200

Students will be working with an array of materials on a wide range of arts and crafts projects. It's a summer must! (includes all materials)

★ **DRAMA** (all ages) Monday/Wednesday 2:00 - 3:00 p.m. Cost: \$200

Students of all ages will come together to experience theater in all its aspects – acting, singing, staging, and costuming. The program will culminate in a theatrical production for everyone to enjoy.

★ **RECREATIONAL SWIMMING** (all ages) Tuesday/Thursday 1:00 - 3:00 p.m. Cost: \$200

Your child will enjoy an afternoon of fun in the water at the Willard Swim Center (located two blocks from our school). This is recreational swimming - fun and games only! All entrance fees are included.

★ **SCIENCE DISCOVERY - Chemistry Lab Camp** (grades entering 1st - 5th) Tuesday/Thursday 1:00 - 2:00 p.m. Cost: \$225

We'll explore and create exciting chemical reactions, make colorful concoctions and bubbling brews. Amaze yourself with magical temperature changing baggie science or growing ghost crystals. Study the chemistry involved in not-so-simple things like chalk and soap, and even experiment with the chemistry used by artists, spies and detectives! Chemists bring home a project each day.

★ **FRIDAY ADVENTURES** (all ages) Fridays 1:00 - 3:30p.m. Cost: \$200

Every Friday we will be off on a new adventure. The East Bay will be our playground for these fun-filled afternoons. With the help of the children enrolled we will choose from a variety of off-site activities. (ie. Adventure Playground, bowling, Alameda Beach, kite flying, gymnastics, tours, there is so much to do!) Cost includes all outing fees, transportation, and treats.

Summer Daycare Program

Hours: 7:30 a.m. - 6:00 p.m.

June 18 - July 27

The daycare program includes a wide variety of activities geared to children's needs and interests. We offer free-time outdoor play as well as organized games and recreational activities. Our daycare staff makes use of our own facilities and an array of facilities in and around our neighborhood. Children in daycare need to bring their own morning snack and lunch each day. Milk is provided as well as a late afternoon snack.

Parents planning to have their children make use of our summer daycare program must pre-purchase hours. Hourly rates will vary according to the amount of hours purchased. The rates are as follows:

Packet "A" 50 hours	\$450 (\$9.00 per hour)
Packet "B" 100 hours	\$800 (\$8.00 per hour)
Packet "C" 200 hours	\$1,400 (\$7.00 per hour)

Hours not used at the end of the summer will be reimbursed to you. Daycare hours are not charged when students are participating in programs (ie. swimming, arts and crafts, computer, etc.) Students will need to have a daycare packet if they: 1) arrive more than 15 minutes before the start of classes, 2) will be staying during the lunch period or after classes are dismissed.

Drop-in daycare is billed at a rate of \$10.00 per hour.

General Summer Program Information

- Students need to bring their lunch each day and any additional snack for the a.m. recess. We provide a snack and milk at 4:15 p.m.
- Students are encouraged to wear comfortable clothing. Tennis shoes are recommended for all activities and sandals for recreational swimming and/or swim lessons.
- It is recommended that each student have a backpack to hold their lunch, books, swim gear, etc. Lockers are available.
- Students are in daycare when they are not in an enrolled program.
