

SUMMER PROGRAMS 2010

PROGRAM DATES: JUNE 21 - JULY 23 (5 WEEKS)

DAYCARE DATES: JUNE 14 - AUGUST 23

Academic Programs June 21 - July 23 (5 weeks)

Pre-Kindergarten Program

Monday - Friday

Cost \$950

9:00 a.m. - 12:00 p.m.

This program is designed for children entering Kindergarten in the Fall and will incorporate a variety of activities and subject matter. The curriculum will focus on number and letter recognition and writing, strengthening prereading and math skills and will provide an introduction to the classroom environment. We include outdoor recess periods, art projects, and science themes throughout each week's program.

Lower School Program

(entering 1st – 4th grades)

Monday-Friday

Cost: \$1,050

9:00 a.m. - 12:00 p.m.

This course is divided into Math and English sections. Students will focus on improving their skills as well as gaining confidence and ease in both of these subject areas. Classes are small, enabling teachers to better structure curriculum to each child's needs. All books and materials are included in the course fee. Homework is assigned during this session. This program is designed for students who will be completing Kindergarten through Third grade in June 2010.

Upper School Program

(entering 5th – 8th grades)

Monday-Friday

Cost: \$1,050

9:00 a.m. - 12:00 p.m.

This course is divided into Math and English sections; both subjects are taught each day.

Math: This program will focus on the review of all arithmetic computation skills, principles of pre-algebra, and algebra. Students will be evaluated and placed according to skill level. Students move independently through workbooks which focus on the individual topics of fractions, decimals, percents, algebra, geometry, measurement, and the metric system. Class size is limited to enable the teacher to work with each student on a one-on-one basis each day.

English: Students will read and respond to short stories written by American and world authors. They will study conflict, plot, point of view, setting, and characterization and will have the opportunity to write short stories of their own. Students will work to improve reading comprehension and composition skills. There will also be a poetry unit. Students will hone their paragraph and essay writing skills. The program will also emphasize vocabulary, grammar, spelling, and study skills. Class size is limited to permit individualized attention to each student's needs.

All books and materials are included in the course fee. **Homework** is assigned.

Recreation Programs June 21 - July 23 (5 weeks)

SWIMMING LESSONS Monday - Thursday Cost: \$90
 (all ages/levels) 3:45 - 4:15 p.m. per session

Beginning and intermediate swimming lessons will be offered at the Willard Swim Center (located two blocks from our school). We will take your child to and from swimming lessons on a daily basis for each two-week session. Parents may sign up their child for any number of sessions.

Session 1: June 21 - 24 and June 28 - July 1

Session 2: July 5 - 8 and July 12 - 15

Session 3: July 19 - 23 and July 26 - 29

ARTS, CRAFTS AND CERAMICS Monday/Wednesday Cost: \$200
 (all ages) 12:45 - 1:45 p.m.

Students will be working with an array of materials on a wide range of arts and crafts projects. It's a summer must! (includes all materials)

DRAMA Monday/Wednesday Cost: \$200
 (all ages) 2:00 - 3:00 p.m.

Students of all ages will come together to experience theater in all its aspects – acting, singing, staging, and costuming. The program will culminate in a theatrical production for everyone to enjoy.

RECREATIONAL SWIMMING Tuesday/Thursday Cost: \$200
 (all ages) 1:00 - 3:00 p.m.

Your child will enjoy an afternoon of fun in the water at the Willard Swim Center (located two blocks from our school). This is recreational swimming - fun and games only! All entrance fees are included.

SCIENCE DISCOVERY Tuesday/Thursday Cost: \$225
 (grades entering 1st - 5th) 1:00 - 2:00 p.m.

Make the ordinary world around us an extraordinary one! With hands-on activities and projects students explore the world around them through the investigative lens of science, develop question making skills, design experiments, and most of all learn what a wonderful and awe-inspiring world we live in.

FRIDAY ADVENTURES Fridays Cost: \$200
 (all ages) 1:00 - 3:30p.m.

Every Friday we will be off on a new adventure. The East Bay will be our playground for these fun-filled afternoons. With the help of the children enrolled we will choose from a variety of off-site activities. (ie. Adventure Playground, bowling, Alameda Beach, kite flying, gymnastics, tours, there is so much to do!) Cost includes all outing fees, transportation, and treats.

Summer Daycare Program

Hours: 7:30 a.m. - 6:00 p.m.

June 14 - August 23

The daycare program includes a wide variety of activities geared to children's needs and interests. We offer free-time outdoor play as well as organized games and recreational activities. Our daycare staff makes use of our own facilities and an array of facilities in and around our neighborhood. Children in daycare need to bring their own morning snack and lunch each day. Milk is provided as well as a late afternoon snack.

Parents planning to have their children make use of our summer daycare program must pre-purchase hours. Hourly rates will vary according to the amount of hours purchased. The rates are as follows:

Packet "A" 50 hours	\$400 (\$8.00 per hour)
Packet "B" 100 hours	\$700 (\$7.00 per hour)
Packet "C" 200 hours	\$1,200 (\$6.00 per hour)

Hours not used at the end of the summer will be reimbursed to you. Daycare hours are not charged when students are participating in programs (ie. swimming, arts and crafts, computer, etc.) Students will need to have a daycare packet if they: 1) arrive more than 15 minutes before the start of classes, 2) will be staying during the lunch period or after classes are dismissed.

Drop-in daycare is billed at a rate of \$9.00 per hour.

General Summer Program Information
